

opponents this afternoon but.....Cumnor Minors who hadn't forgotten the last game either!

Unlike many Cup Finals this was an exciting match from beginning to end. The teams were evenly matched even though Cumnor play in the 'A' league. We went in at half time at 0-0. However, ten minutes into the second half Pip Benfield met an excellent Davanzo cross from the right to head our first goal. The celebrations were short-lived however, as Cumnor struck back almost immediately following some indecision in our defence. We had several chances to strike back in the next few minutes and eventually Benfield returned the favour for Davanzo to score his only headed goal of the season. Cumnor again struck back almost immediately with a powerful shot following a corner. The scene was set for a barn-storming finish.

There were opportunities at both ends, with Wychwood creating by far the better chances and, with two minutes to go Eddie Large nodded the ball into the path of David Davanzo who crashed the ball over the head of the helpless Cumnor keeper from 25 yards for the winning goal. The final whistle was greeted with a massive cheer from the many Wychwood supporters.

Man of the Match selected by neutral observers was: Pip Benfield

Team: Nick Cafearo, James Hood, Alex Dyakowski, Craig Chapman, Robbie Cuthbertson, Scott Wilson, Matthew Holt, Eddie Large, Pip Benfield, David Davanzo, Danny Frizzell.

Subs: Jon Wilson, Danny Blackman.

Managers: Kevin Hood/Jane Holt

Jane B. Holt (Mrs.)

Fifield Village Hall

Over at Fifield we are busily preparing for "Fifield at Home", a repeat of our successful day last year. As before the PCC, Village Hall and Recreation Ground Committees are joining forces to raise funds for their respective needs which, in the case of the Village Hall, is to buy some new trestle tables.

The afternoon starts at 2.00pm and ends with the Raffle Draw at 4.30pm. Throughout, there will be hot food from the barbecue (so don't have lunch before you come) as well as teas, games and stalls. Several gardens will be open – not necessarily the same as last year – and activities will largely be centred around The Green, Recreation Ground and "Snows hill" areas – with provision for "left luggage" for those who wish to venture further.

We look forward to welcoming visitors from the Wychwood villages – and their friends. Our next event, the summer Barbecue, is not until 19th August by which time we'll have caught our breath!
