

WYCHWOOD LIBRARY

The Wychwood Library Appeal to pay for its enlargement is now well under way and there has been a very encouraging response for which the Friends are most grateful.

The total of donations received to date (6th May) is £16,562 which includes promises of £9,000 from local Parish Councils – £4,000 from Milton, £4,000 from Shipton and £1,000 from Fifield.

We aim for a target of £35,000 which would meet our share of the refurbishment costs and provide funds to acquire the additional 5,000 books which will be required to fill the shelves when the size of our Library is virtually doubled.

Donations are urgently required and we would very much appreciate your continuing to send your contributions either to Hugh Soden, our fund-raising Treasurer, at Heathfield House, Church Road, Milton-u-Wychwood, or to our Librarian, Mrs. Beryl Brown at the Library at 29 High Street.

By the time you read this a number of fund-raising events will have taken place. Beryl has designed a display window at the Library and you will be able to see the results of your efforts towards reaching our target for this most worthy cause.

Douglas E. Cunningham, Chairman, Friends of Wychwood Library.
