## **Our next event is SUMMER 2000.**

On the 24th June we shall be holding a fete on the village green which will start with a float procession from the Village Hall. The theme of the day is Disney, but you can make your float ANYTHING you want. If a float is too much why not dress up and follow the parade. The more the merrier! Please contact one of the committee if you are interested.

During the day we have some FANTASTIC stalls and side shows; something for everyone including kids races, balloon race, displays and much more. We hope to kick off at about 2pm – come along and join in the fun. In the evening we shall be having a Disco and BBQ. Entry is by ticket only. The family disco starts at 6.30 and all under 16s are free! For those 16 and over the cost is £5.00.

Look out for our posters with more details or contact one of the committee if you are able to help or wish to take part – we would look forward to hearing from you.
