

# The Wychwood

**W**E PUBLISH 'FLU' VACCINATION INFORMATION from the Wychwood Surgery, p.24. Perhaps this is an opportune moment to thank all the doctors, nurses and staff. I know that residents of the Wychwoods feel that we are extremely fortunate in having a practice second to none.

Vandalism is particularly stupid and mindless, but when directed at children is even more hurtful. We received a number of letters from children on the subject which were printed on large A4 paper, very well produced on their computers. Unfortunately to have printed each on one page of the magazine would have used up too much space, but we thought that they richly deserved inclusion, though greatly reduced in size. Maybe a magnifier would help! The police ask for reports of vandalism, even if small, as it helps them to build a pattern at an early stage. It would also be helpful to inform the Parish Clerks.

Sobell House is collecting used stamps as a fund-raising venture, and Mrs. Vera Case has kindly offered to be the collection point. Please contact her on 831482, or phone the Editor if you are able to help.

With exams out of the way, and holidays now here, we wish you all a happy break with, hopefully, good weather.

Articles for publication in the October / November issue should be submitted to the Editor at the address below, by 9th September 2000.
