

HELEN HOUSE

The concert given by John Walker and his Digital Orchestra, and arranged by Vera Case in aid of Helen House raised £600.00.

Vera wishes to thank all those who helped in any way – from the printing of the posters to the washer-uppers on the night. Thanks also go to everyone who donated raffle prizes, money and refreshments.

During the interval there were many requests for another concert next year, as people had enjoyed the occasion so much. Vera and John have arranged another one, so by popular demand, John Walker and his Digital Orchestra will be returning to the New Beaconsfield Hall, Shipton under Wychwood, on May 5th 2001.
