

The Wychwoods Local History Society

There will be a guided walk of Shipton on Saturday 5th August. No charge. Assemble at the New Beaconsfield Hall at 10.00 am. A guided walk of Milton may be arranged later.

Field Walking. It is hoped to field walk sometime this autumn. Sites and dates depend on farming commitments. For further information please contact Sue Jourdan (830170), Janet Wallace (831059) or Margaret Ware (830494).

The next season of monthly meetings begins at Milton on 21st September when Tim Porter will speak on 'Cotswold Churches in the Landscape'. Meetings then continue on the third Thursday of each month alternating between Shipton and Milton.

The next meeting will be at Shipton on 19th October. It will be an open meeting on 'The Wychwoods in Wartime' to promote the book 'That's How It Was', (reviewed in the last issue of this magazine on page 42). The speakers will be Anne Gilbert (née Buckmaster), Terry Hartley and John Rawlins. The first two persons were among the contributors to the book 'Milton and Shipton During the War 1939 - 1945' published by the Wychwoods WI at the end of the war.

New members are welcome to join the society at any meeting at an annual cost of £4 for an individual or £6 for a double.

Help please. A Mrs Slater requested a walks leaflet and a copy of the WLHS video tape. Unfortunately I have only five of the figures of her telephone number, and I cannot find any Slater in the local directory and directory inquiries have been unable to help. Any information gladly received by John Rawlins (830668)
