

Milton-under-Wychwood Allotments and Gardens Association

First of all I must thank everyone who supported our Flower Show which was held back in August. Whether you exhibited or just came to look, we hope you enjoyed it. The show itself was not as large as last year, either with entries or visitors, but some people said they enjoyed it more as there was room to move around to examine and admire all the things on display, and there were indeed some worth admiring. A list of the trophy winners is given below.

We continue our programme for the year with our October and November meetings to be held in Milton Village Hall on the fourth Wednesday of each month. A talk by the Head Gardener of "Hidcote" and an evening with Reg Moule on "Houseplants" should both prove to be well worth attending, and visitors are always welcome.

Cup Winners at The Show 2000:

- | | |
