

SHIPTON FETE 7th JULY 2001

Since my last piece in the Wychwood about the fete, it has become clear to me just how many of you read and absorb the contents of our magazine. I am not sure whether to be heartened or frightened silly by so many people commenting that I 'have taken over the fete for next year'.

A few new ideas have been suggested and I think we need to have a further meeting in February for all those who would like to help, in whatever way, so that we can continue to formulate plans. I propose holding an informal meeting in the committee room at the Village Hall on February 12th at 7:30 p.m. Bribery in the form of mulled wine and mince pies is being offered to anyone interested in helping.

If you are unable to come to this meeting but are interested in helping please give me a ring so that I can keep you informed. I look forward to meeting you all on February 12th'.

Christine Halliday, 831134.

FIFIELD VILLAGE HALL

The Christmas decorations have been packed away for another year, we have welcomed in the New Year and so we must turn our thoughts to plans for the coming year. However, we must first thank everyone in Fifield and Idbury who supported our events, in whatever way. We are extremely grateful. This support, together with help received from the Parish Meeting, has enabled us to embark on a programme to replace some of our damaged trestle tables. Two new ones have already been delivered, and we have ordered more.

An early event in the new year will be a coffee morning together with a progress report on our History Project.
