

### Milton-under-Wychwood Allotments and Gardens Association

Our February meeting was held on the last day of the month, and I think that most people will be quite glad to move on to what we hope will be some better weather, and not only for gardeners. In spite of a bitterly cold evening, 34 people were present, and they were not disappointed.

Moureen Button from Bourton-on-the-Water has delighted us on a previous occasion with her wonderful photographs and descriptions of local flora and fauna. These are so detailed and punctuated with such interesting and entertaining tit-bits that it makes the whole evening one to be remembered, and February 28th was no exception.

Our meetings will be held as usual in Milton Village Hall on the 4th Wednesday of the month at 7.30 p.m. The talk in April will be given by Donald Everitt, well known to our members. Detailed posters will be put up nearer the time.

We always welcome visitors to our meetings for the small fee of 50p.

Jane Lewis.
