

# **owerham Residents Association**

Secretary; Miss Ruth Andrews.

The 'mature' residents (we're not old since we are all under 92 years of age) of Bowerham would like to thank all who supported us at the Shipton-under-Wychwood Fete on July 7th. We had a great time and raised more than twice our target. We are going to invest in a bit of Ibobrofen cream for the crick in our necks from watching the antics of Sandy Scott on the plane – he's definitely utterly butterly. But seriously we would not have been able to achieve this without the sponsors of our prizes. We had a good response from those we asked and would like to thank them all.

Costcutters - Shipton House Stores  
Poundstretchers - Witney  
Earleys of Witney  
Windrush Leisure Centre - Witney  
Debenhams - Banbury  
Marks & Spencers - Banbury  
And to all the many individual donors who so generously helped.

The Quart Pot - Milton  
Iceland - Banbury  
Cotswold Wildlife Park  
Oxford Ice Rink  
Waitrose – Witney  
Burford Garden Centre

Bowerham is not a residential home but a sheltered housing scheme which enables those of us who occasionally need a little help, to live independently, caring for ourselves, but with the knowledge that help is just a pull of a cord away. The monies raised will pay for those little extras that make us into a happy gang of old age delinquents..... oops .....pensioners.

Ruth Andrews (Secretary)
