

WYCHWOOD LIBRARY CULTURAL SERVICES

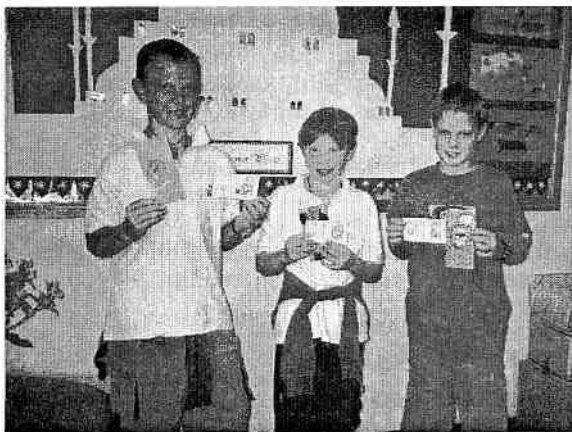

**OXFORDSHIRE
COUNTY COUNCIL**
CULTURAL SERVICES

There was great excitement in early June when the work commenced on the Library extension, and one month later the building is really taking shape. We are well settled in our temporary accommodation. We have a reduced stock owing to lack of space but we do cover most subjects. If we do not have what you need we will request it for you. There is a small reference section and the photocopier is in operation.

Our temporary accommodation was painted by a willing group of helpers, and the move was completed in only one day with the help of colleagues. The Bridge Drive organised by Mrs. M McNeil raised the sum of £233 for the Libraries Amenities Fund, thank you for your support.

A Musical Tribute in Memory of Mr. Bob Bradley took place in Milton Village Hall on May 23rd and half of the proceeds from the evening, £350, were donated to the Libraries Amenities Fund; grateful thanks to Mrs. Bradley and family for this generous donation.
