

STOP PRESS.

Everyone who was there will agree that Shipton Fete was a resounding success, due in large part to Dr. Scott's antics on the wing of that plane.

£968.00 was raised for Dr. Scott's Pheriche project and the Surgery by the Grand Draw, auction of a meal for 2 and the Nearly New Stall. This does not include any money raised by sponsorship. It is difficult to give an overall figure for the money raised during the afternoon as so many stalls raised money for their own funds, just giving a small sum to the Village Hall, but we estimate that about £3,500 was raised.

Several stalls and games were raising money for the Hall, including the ever-popular Bottle Tombola and the brand-new chance to win a car for £1 and we are delighted to have raised £980.00. Thank you to all who contributed to a wonderful afternoon, be it as workers or spenders.

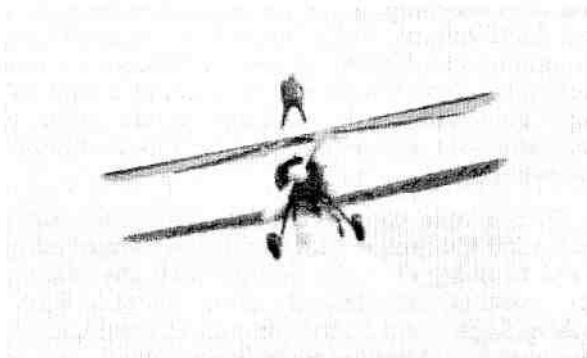

A proper report will be included in the next edition of 'The Wychwood'.

U.F.O !**

**No! It's an
I.F.O. !**

Louise Cowley, (age 3½ years) "Mum, couldn't he get a seat?"

"Mummy, why are the wheels on top of the aeroplane?"

Are we doing?

What?

Nothing to it!

Er....
