

Ascott Preschool

The Autumn term has started with the arrival of nine new children to join those returning from the summer. Everyone seems happy to be back and already the children have baked bread and made a clay mouse with a house.

The Preschool is now running an extra session on Monday afternoons to cater for demand. This is in addition to the four morning sessions from Monday to Thursday.

For the older children there is a "Prepare for School" class on Tuesday and Thursday lunchtime. The main attraction for those who attend seems to be having a lunch box and swapping crisps across the table. This is before the serious business of story telling and simple letter and number work begins.

During the year the Preschool has continued to run a range of successful events and visits. The children walked through Ascott to see the Spring flowers appearing, went on a train trip to Moreton in Marsh, raced at their BBQ and sports day and enjoyed visits from Mrs. Brown at the library, PC Salmon and his handcuffs, Ascott's WI and the Wychwood School Lollipop Lady.

If you would like to find out more about Preschool please contact Pauline Plant on 01993 830349 or drop into one of the sessions at Tiddy Hall, Ascott under Wychwood.
