

May I repeat, thank you John for everything that you have done for our wonderful village. You will be missed.

May we also say thank you to John's wife for the time she has been on her own while John has been attending to village hall business. We have a small gift for Mrs. Miller as a token of our appreciation.

Now to John himself. What John has done for Milton-u-Wychwood is so great that it cannot be measured. As a keepsake and as a memory of all his hard work we have two small gifts for John which we hope will be to his liking. Please raise your glasses and drink to John Miller."

## Wychwood Forest Fayre

Crowds flocked to the Wychwood Forest Fayre held this year at Leaffield on Sunday 2nd September, despite a somewhat gloomy weather forecast. The sun came out and the Fayre was a great success. Attractions included displays of rural crafts, Morris dancers, a children's fun fair, book stalls, real ale from the Wychwood Brewery, home-made refreshments and a craft tent.

The Fayre was organised by the Friends of Wychwood, who support the work of the Wychwood Project. We aim to use the money which we raised to help create a wildlife project, possibly another community wood elsewhere within the area of the former Royal Hunting Forest of Wychwood, to celebrate the Queen's Jubilee next year.

Thank you to all who came to the Fayre, and to our sponsors, exhibitors and especially to all our volunteer helpers – everyone contributed to the event's success.
