

## WYCHWOOD PLAYGROUP FAMILY FUNDAY

Take lots of children, give them face painting, pony rides, a bouncy castle, pottery painting, penalty shoot-out, stocks (another guest appearance from Dr. Scott!), fish-a-prize, a fire engine and lots more, with the added bonus of gorgeous bright sunshine and you have the perfect ingredients for a fantastic funday.

Children enjoyed all of the above on Sunday 29th July when Wychwood Playgroup held a Family Funday on Milton Village Green. Adults were able to relax and enjoy the afternoon browsing the car boots, craft stalls and barbecue (a prize must surely go to Arthur and Agnes Hunt who did the barbecue in such sweltering heat!)

Wychwood Playgroup would like to sincerely thank everyone who helped to make the day such a success, especially parents, playgroup committee, local companies for raffle prizes, the Parish Council, the MSA, the WI and all those villagers who helped on the day (too many to name individually). We are pleased to say that with all the ingredients of good organisation, much enthusiasm, bright sunshine and such wonderful support from everyone we raised just over £1,000 towards Playgroup Funds. Thank you all.
