NEWS FROM FIFIELD

This year we held a Harvest Supper with a difference. Jean Rose, who for so many years has faithfully brought her keyboard and provided us with music for community singing, wasn't able to be with us. Luckily Bob Forster was able to step into the breach and organised not just singing but also a musical quiz – all of which made for a splendid evening.

Hearty thanks to everyone, and particularly Bob for coming to the rescue. Our Carol Evening will be a little earlier this year – 17th December – and there will be mulled wine and mince pies in the Village Hall afterwards.
