WYCHWOOD LIBRARY

There will be great excitement on Monday 3rd December. The newly extended library will open its doors to the public at 2pm. At the time of going to press there are still six weeks of activity to prepare for the big day.

The new library will have a council access point provided by the District Council. This is a direct video link to council staff at the Witney office. There will also be two internet terminals, and £6,000 has already been spent on new books.

From Saturday 8th December the library will be open for an extra 2½ hours between 9.30am and 12 noon. Our last day in the Mission Room will hopefully have been Monday 26th November. We are pleased that we have been able to provide a library service while the building has been extended.

Regular term-time visits to the Playgroups' nursery classes and Classes 1 & 2 at Wychwood Primary School have taken place. Stories and poems with an autumn theme were read. We look forward to welcoming you all to the New Library.

Opening Hours.
