

THE PIPERS CLUB.

This is a unique social club for the younger people of the Wychwoods aged six years and over. The members will decide on the activities we engage in and how the club will be run.

We meet once a week during term time and occasionally during school holidays. We have our own dress code and rules.

Some of the activities we have indulged in so far include: sports, drama, talent night, fancy dress, quiz games and of course, end of term parties. Most activities are designed to be worked on at home during the week then brought to the club on Friday. There are medals and a trophy to work for through our own exclusive system of merit stars and these are presented at the end of term.

Subs are paid each week and cost £1. The money is used to pay for the rent of the venue and for refreshments. This is a NON-PROFIT making club. The Piper's club is insured by Moreton-Michel, London, and personal details and contact numbers are kept filed and highly confidential.
