# The Wychwood

**W**ITH SO MANY LOCAL ENTERTAINMENTS BEING OFFERED in the coming months, we have listed them on page 45 for your convenience, giving the page numbers on which they are advertised.

We are very pleased to have a photograph of Charles Keighley involved with the activity to which he has given so much time and effort – Tree Planting Schemes. He has worked so hard to bring about Diggers Wood and other planting projects.

Not only can we enjoy the benefit, but they also help the environment and create habitats for wild life to replace just a little of the massive loss over the past few decades. Thank you Charles, all your achievements are much appreciated.

Help with computer literacy will now available in the Wychwoods from early April. A marvellous opportunity for us to banish our fears, but you'll have to be quick off the mark. See p.37 for more information.

Articles for publication in the June / July issue should be submitted to the Editor at the address below, by 11th May, 2002.
