

### School show, Saturday May 11th matinee and evening

Come along and enjoy the next show – and support your local kids! The show is produced by the school but for **everyone** to enjoy, not just relatives!

The school is now in its fourth year and during that time has participated in or generated some 17 local events, being shows, dance & drama events, pantomime and fetes.

These have been very popular and have added to the cultural life of the community and perhaps more importantly stimulated personal development, growth and confidence in all the pupils.

So the school has an established reputation as a contributor to the community but this has been achieved largely from the support we have enjoyed from everyone.

The next show on the afternoon and evening of Saturday the 11th of May will be a visual spectacular with considerable investment in costumes and design. The theme is of a dancer winning a contract to dance around the world and so stage dances from the principal regions of the globe.

It will be both interesting and colourful and we hope we can again count on your support. To defray the cost we need good audiences on the day, so do come along and join us, we promise you a good show!

### JOY

Rain-washed Morning Glories in the dawning sun,  
Promising the wonders of the day to come.  
Boys and girls are playing in the Schoolyard ground,  
Each one 'climbing mountains' with a single bound.  
Hear the sick man's wife sob out when they have to part,  
Hear a newborn baby's cry , touch a mother's heart.  
Each day brings it's sorrow but more than that it's joy,  
All the vexing problems are just a worthless ploy.  
Give yourselves to happy thoughts, peace throughout the day,  
With contentment live your life, in God's cheerful way.  
Loving, giving, keep from sin, if you would be blessed,  
Walk on modest in His ways, find true happiness.
