UNCLAIMED MILLIONS !

Every year millions of pounds are unclaimed from thousands of people, who struggle on low incomes, but fail to claim state benefits that are theirs by right.

Many are reluctant to claim because they feel it is charity but this money comes from taxes that you or your family pay when you are able to contribute. It is like putting money into a bank for a 'rainy day'. So when you claim benefit you are in effect withdrawing funds that were previously paid in by you.

The range of benefits range from help to pensioners and families on low income, to people off work due to illness, an accident, redundancy or a business failure or disabled people who need extra care.

Are you one of them?

Staff at West Oxfordshire District Council, Benefits Office advise on Housing and Council Tax Benefits as well as on other welfare benefits.

If you are unable to attend the offices our Visiting Benefits Officer can visit you at home. An Officer from the Benefits Agency is at the Council's Benefits Office on the 2nd Monday of every month between 10am to 12 noon and Benefits Advice is also available at The Guildhall at Chipping Norton from 10am to 1pm the first Wednesday of every month.
