Classes for those who suffer from hearing difficulties are held at Burford School Community College on Tuesdays from 10 – 11.30 a.m.

This is a very friendly class which has much to commend it and is enjoyed by all those who attend.

Details for the coming academic year can be found in the official Community Education booklet 2002 – 2003.

THANK YOU

Thank you to all who helped make the **John Walker concert**, held on May 19th, such a big success. £810 was raised for the Abingdon Branch of Riding for the Disabled.

Everyone was very generous, providing refreshments, raffle prizes, donations, tickets, etc.

A special thanks to my faithful helpers on the night (you did a good job), and I could not have managed without you. The support I've had since I started fund-raising has been tremendous and I cannot thank you all enough.
