

Milton-under-Wychwood Allotments and Gardens Association

Once more our Annual Show is over, and I hope as usual everyone enjoyed it, whether as an exhibitor or just a visitor. Unfortunately, the number of items on show was considerably less than the last 2 or 3 years, but we were told by our Flower and Vegetable Judges that it has been a very difficult season. However, the quality of the exhibits was just as good as usual and the flower arrangements were beautiful.

The Cookery and other Home Craft classes were well supported. Also the Photography, and the Children's classes are always most entertaining. A list of Cup winners is given below.

The October meeting will be held in Milton Village Hall on Wednesday, 23rd at 7.30 pm and the talk by Victor Scott on "The Flowers and Countryside of Greece" will be most popular I know. We hope to see our new members, especially the ones from Shipton, having already welcomed those who came to the September meeting. We are always pleased to see visitors at any of our meetings.
