Shipton Rounders donate to the Rainbow Trust

The proceeds of the Shipton Rounders Games, played during the summer of 2002, have been given to The Rainbow Trust. The charity relies on donations to carry out their good work of fully supporting families with terminally ill children.

The rounders games, which were great fun, raised £40.00 for The Rainbow Trust and a letter of thanks was received from Fundraising Support Officer, Caroline Tremlett. In it she said: 'Thank you so much for sending a cheque for £40.00 which you raised through weekly rounders games. What a wonderful idea. I really enjoyed reading the article in The Wychwood magazine it sounds like you had tremendous fun! We would like to send our sincere thanks to everybody who took part.'
