

## **The Future of "The Wychwood" Magazine!**

Following the article and appeal for volunteers in the last issue of "The Wychwood", I am happy to report that the response has been magnificent, beyond all expectation.

In consequence, at a meeting of the Editorial Committee on the 28th August, we were able to welcome and appoint the following as new members:-

Christine Halliday	as Editor
Liz Clark-Watson	as Assistant Editor
Jan Harvey	as Producer
Harry Hopkins	as Assistant Producer

Don and Rosemary Salter will be retiring.

All other former members of the Committee will continue with their respective responsibilities. Our grateful thanks to all who responded to our appeal. The future of "The Wychwood" is now assured.

Dennis Swann, Chairman.

6 Coombes Close,  
Shipton-under-Wychwood.

I would like to thank all those who so generously contributed to my retirement present.

I have a lovely framed view of the village painted from the Chipping Norton Hill, this brings back happy memories to me.

When we came to Shipton in 1953 this was our first view of the village nestling in the trees below, so I am delighted to have this reminder to look at each day.

Some of the money I have also received will be spent on a tree which I hope will flourish in my garden and eventually replace one which had to be removed.

I enjoyed my time as Clerk to the Council; there is a great community spirit in the village and I am pleased that I am part of this.
