

The Wychwood

Greetings from the new team at the Wychwood Magazine

I am delighted to introduce you to the new team at the Wychwood Magazine. We are indebted to Rosemary and Don for all their hard work in recent years and owe them many thanks for making the transition so smooth. Along with the departure of the Salters we seem to be saying farewell to many other well-known faces in the Wychwoods. Rev. Mike Williams and wife, Gill have moved to Oxford. Mike has taken on a new role with the NHS Trust. Mike and Tessa from Shipton Post Office, who have always provided such a warm and friendly service, have also moved on. Two much loved villagers have recently died; Megan Bradley, and Vi Smith, closing another chapter of village history. Both were very well-known in the community and will be remembered with great affection. We hope that you will continue to enjoy the magazine with the new features we have introduced; please pass on your thoughts and comments to me. News items from all the villages are gratefully received.
