The Summer Reading Scheme

presentation took place in the library in September. Carol Stitson, who is now County Children's Librarian presented medals and certificates to over 40 children. The scheme was completed by 72 children and 1,800 books were read over the summer holiday.

Autumn Theme Storytimes have taken place at Wychwood School, Nursery Classes, Pre-School groups and at Playgroups. The Library is now a meeting place for Paws Drama Group who hold workshops on a Tuesday evening. By moving the rolling bookshelves they have a large area in which to act and perform.

A free basic Laptop Taster Session for complete beginners has been held in the Library. There were places for ten people and we had one extra 'standing'. Everyone was taken through the basics of 'Introduction to the Computer'. Follow-up courses will be held at the New Beaconsfield Hall in the coming weeks, but there will be a charge for these.

Information is available in the Library.

We are very happy to welcome new members to the Library, so if you are not a member do come along and join us. You will find a warm welcome, some really good books to read and free access to a computer

for internet use and e-mails.

From the Editor: May I thank the Library staff, on behalf of everyone, on the window displays which add interest and colour to the High Street.

ART CLASS AT SHIPTON

There will be an art class starting in January on Monday mornings in the New Beaconsfield Hall, Shipton. It will be a small, informal group, so there will be plenty of guidance for those who need it. **To book a place, call Karen Lord on 01993 830852.**
