All meetings start at 7.30pm,
visitors are very welcome

£2 entrance fee

MILTON-UNDER-WYCHWOOD ALLOTMENTS and
GARDENS ASSOCIATION

Making decorations

Unfortunately Heather Derkacz was unable to come to our November 2002 meeting and give us her talk and demonstration on Christmas Arrangements. At very short notice Edna Naish came to our rescue in spite of being so busy just

before Christmas. She provided us with a most entertaining evening. We were shown how to make some very simple but most attractive Christmas decorations, using materials that everyone was able to find in their own or in neighbours' gardens, or buy without adding too much to the seasonal expenditure. Edna was able to pass on her knowledge of using plants in arrangements and how to make them last out the holiday period. We would like to give Edna a big vote of thanks for giving us such an entertaining evening and some members were even lucky enough to win an arrangement in the raffle!

The next meeting will be held on Wednesday February 26th 2003 in Milton Village Hall at 7:30pm. The talk will be on 'The Joy of Clematis' by Mike Brown. The March meeting will be on Wednesday March 26th with a talk on 'Fruit for Small Gardens' by Reg Moule.

As usual visitors are always welcome. We wish a very Happy New Year to all our members.

Jane Lewis
