

Village Business

Beauty By Heather

New Beginnings

I moved to Shipton-Under-Wychwood 6 days before Christmas 2003; a little chaotic with 2 young children! I can't believe its only 4 months since moving here, as we have been warmly welcomed into this friendly and active community.

We moved from Wingrave, Bucks, which is where I began my beauty business 6 years ago. "BC" (before children!) I worked for Clinique cosmetics for 10 years, 4 years of which as a regional training manager (although I originally trained as a beautician, I ventured into the cosmetic industry to broaden my horizons). Along with Clinique, I've also been trained by Charles of the Ritz, YSL and Lancôme. Beauty has been my work, hobby and my passion for the last 22 years.

Mobile Beautician

When our first child came along my full time job as a trainer was no longer possible. As a full-time mum I began to meet other non-working and working mum's, we exchanged our "BC" stories and mine always got the reaction of "oh I'd love my nails done" or "have a facial" etc. There were so many mums who were desperate to be pampered and thus Beauty By Heather began; an affordable service conveniently brought to their

home. It's also a great business for me, fitting around my 2 children and my lifestyle.

Bridal Make-Up

I offer a good range of treatments including facials, manicures and waxing, all in the comfort of your own home. I have portable salon equipment (including couch!) and use professional and affordable products for

all my treatments. I also offer a bridal service, which is very popular, includes a rehearsal and going to the bride's home or venue on her big day.

So Pamper Yourself

A woman's life is often "a jack of all trades", whether married, single, with or without kids. Juggling work, play, house, kids and husband puts time for us at the bottom of a very big pile. Take time to refresh, rejuvenate and pamper yourself. Whether it's with a beautician like me, or 20 minutes in a warm bubble bath, with a facemask, hair conditioner, a few candles and a large glass of wine! Make that time for you, to look good and feel great!
