

Looking Back at 2006

Christmas in the Wychwoods despite the weather!

Putting up the tree calls for a high lift and careful work. Don't tell Health & Safety!

Carol singing around the tree is a tradition in Shipton and really marks the start of Christmas proper. There was a terrific turn-out, all in good voice.

Some of our younger carollers in colourful garb and with high expectations of what Christmas will bring!

“Dad, it’s hard work hauling this lot down the chimney. Your turn next year!”

Looking Forward to 2007

The New Year brings the promise of Spring, the garden breaking into flower - and in the Wychwoods the next Wychwood players performance and the planning for the Summer fetes!
