

The Beauty Room First Anniversary

It's been a year since I opened The Beauty Room at Groves Business Centre, Milton under Wychwood and what a great and successful year it has been. I have had such lovely comments from

everyone on how relaxing the rooms are to visit. For those of you who haven't visited The Beauty Room, there are two treatment rooms decorated in tranquil colours with soothing music and aromatherapy fragrances to instantly unwind you.

Unwind Your Mind and Body

The treatments I give are designed to be the most effective and most relaxing for you. Downstairs is where OPI Manicure's and Pedicure's are completed; these are a spa treatment for your hands and feet. Upstairs the three velux windows give gentle light but total privacy, here all couch treatments are completed and these include Susan Molyneux aromatherapy facials, PhD waxing, Thuya lash and brow tinting, brow shaping, John Van G make up lessons and bridal make up. With 22 years experience in the beauty and

cosmetic industry I have a wealth of knowledge to offer.

Cindy on Friday

Cindy Shannon **BSc, MGPP** works in the upstairs treatment room on Fridays. Her

treatments consist of aromatherapy massage, lymph drainage therapy, cellulite reduction manoeuvre and Indian Head massage. Clients will receive the benefit of 23 years of clinical experience gained at major hospitals in the USA and UK. For more information on Cindy's treatments or to make a booking you can contact her on: 01993 831190.

I would like to thank all my clients for their support over the last year and for the years to come.

Cindy and I look forward to welcoming any new faces.

Gift vouchers from Heather and Cindy make the perfect gift for any occasion.
