

Shipton Volunteers - Up and Running

Shipton Volunteers are now up and running and have already completed one or two projects around the village. You may have noticed this valiant band, unmissable in their day-glo waistcoats, tidying the corner of Milton

Road, opposite the Red Horse and working their way along the Church Path. What a good job they have done too!

If you are interested in getting involved

please contact Paul Chantry.

Perhaps you know of an area in the village that could do with tidying? If so, please let Paul know and the Volunteers will put it on their list. It is not all hard work though, because the Volunteers gather in a local

hostelry, after completing their allotted task, to discuss progress over a pint.

Dropping In

Normally visitors to the holiday cottages at Priory Farm, Lyneham arrive by car.

In August we had some guests arrive by helicopter, causing much excitement for my grandchildren Matthew, James and Jonathan.

They were invited for a ride and their grandfather Bill Izod and father Nathan went along too.

I can imagine that this will be an impressive talking point with their friends now that they are back at school!

Flix in the Stix is Back

One of our FITS team, David Trollope, is making a short documentary about the recent floods in the area, with the help of photographs and videos taken by local people. We will be showing the film as part of a Flix evening soon; watch out for more information on posters around the villages. Don't miss these dates:

Tiddy Hall Ascott, Saturday 13th October *Amazing Grace* starring Albert

Finney and Michael Gambon .Once again the Ascott team will be serving a 'themed' meal. Doors open 7.00.p.m. Tickets are £10 to include food. Please ring Simon Gidman on: 01993 831479 for more information or to book tickets.

New Beaconsfield Hall, Shipton
Friday 9th November at 7.30.p.m. *Miss Potter* starring Renee Zellweger and Ewan McGregor.
