Meet Kirstyn Your PCSO

For those of you I haven't met yet, my name is Kirstyn, and I am your local Police Community Support Officer (PCSO). PCSOs are concentrating on many community issues such as low level crime, anti-social behaviour, school visits and fetes, to ensure we maintain a police presence for public reassurance. I cover a really large area stretching from the Rollrights through to all the villages in the Evenlode Valley. Due to recent incidents in the Wychwoods, I am appealing to you to remain vigilant and to please report anything you regard as suspicious. It would also be helpful if you could record details such as vehicle make, model, colour and registration and/or a description of any suspicious persons,

and report anything to Thames Valley Police on: 0845 8 505 505. If you are in danger or witnessing a crime in progress please ring 999. Please report any incidents such as stolen bicycles, graffiti and anti-social behaviour. We hear about these incidents from concerned members of the public, yet they are not being reported.. That's what we are there for!

I am holding a **Meet and Greet Session** on **The Green** near **St Mary's Church** on **Saturday 21st June 2008** from **0900hrs to 1030hrs**, do come to see me and tell me your issues. You can call me on: 0845 8505 505 and ask to speak to Kirstyn Tyrer C9958 at Chipping Norton Police Station.

More About Kirstyn

Kirstyn has been a PCSO since April 2007. She had been working as a Lifesaver at the Abingdon Leisure Centre, but got bored and wanted something different which didn't involve sitting at a desk. She felt that becoming a PCSO would allow her to explore Police work and she absolutely loves it, particularly being out and about on foot patrol. Kirstyn is South African, brought up in Pietermaritzburg. Life had become very violent there, so nearly six years ago her family moved to the UK and now, like Kirstyn, live in Carterton. She has a brother in Reading who recently got married. Kirstyn loves arts and crafts and has made candles, restored furniture and not long ago did the decorations and table settings for her brother's wedding. Her Mother made all the dresses so it was a real family affair! Her parents think her new job is "awesome and brilliant." Kirstyn says she has the best journey ever to work across the "gorgeous Wychwoods", which she describes as "quilted blankets dotted with new little sheep."
