We have an extensive programme under the leadership of our Coaching Consultant, Samantha Burke, ably

assisted by Peter Barnes and Paul Snare. It involves over 250 adults and juniors.

These programmes are run between the Club, the Beaconsfield Hall and Chipping Norton Leisure Centre. Tennis Camps run throughout the school holidays have been exceptionally well attended.

Adult coaching is available during term

time on Mondays and Tuesdays or single coaching by arrangement. Club nights are open to all adult members and take place on Tuesday and Thursday evenings with a club morning on Wednesdays.

Junior Competitions

Additional programmes have been introduced during half-terms and seven Junior teams have been entered in the N.J.C.L.

Earlier in the year, Peter Barnes ran a ten week 'Introduction to Tennis' course at the Wychwood School. Its success encouraged us to start similar programmes with Bledington and Burford Primary Schools. This initiative is supported by the Club and a grant from the Shipton Charity Ball Committee. Membership is open to all, regardless of ability, at competitive rates and support is given to the development of both Junior and Adult members. For details, please contact the Membership Secretary on: 01993 830743 or me on: 01993 832440.
