

Library News

Winter is now upon us and what better than to curl up with a book and why buy when you can borrow instead! We probably receive about fifteen new titles each week so there is always something current to choose from. Check out our 'Quick Choice' table right in front of you as you walk into the Library.

Just to remind you, it is free to reserve items if you are under 18 years of age or if you are house-bound and only 85p for everyone else. It speeds things up and is cheaper to operate if we have your email address.

Ancestry Week

We would like to say a very special 'thank you' to the Wychwood Volunteers and to our customers who came along to Ancestry Week. Nearly everyone found out, or had confirmed, information about their family history and are now inspired to search further using the free Ancestry site available at all Libraries in Oxfordshire.

As winter looms, we are likely to see more energy use, so now is a good time to borrow one of the electricity meters provided by SWYCH. Fairly easy to use with instructions provided, it is possible to evaluate the consumption of your appliances.

Wychwood Wordpeckers has started again on the **first Wednesday** of the month at **4pm**. This the second season of

the very successful and enthusiastic junior reading group run by Liz during the winter months. As well as sharing favourite reading material, the Wordpeckers discuss creative stories written by the group too. We would suggest that this group is mainly suitable for children in the 8 to 12 age group.

No. 2 Wychwood Reading Group

Because of the success of the first Adult Reading Group, we have started the **No. 2 Wychwood Reading Group** who meet on the **second Thursday** of each month at **1.30pm**. This time is great for mums who need to collect children at 3pm as well as those of you who would rather use the daylight hours for activities. All new members welcome.

We are always looking for new members to join our wonderful community facility. Pop in on a Wednesday morning for coffee, brownies and a browse.

Ruth, Liz and Angela wish you all a very happy Christmas and New Year.
