The Wychwoods TC has over 300 members, it has a great coaching programme for juniors with over 100 youngsters taking part each year as well as some of us who are more long in the tooth! Sam Burke, our club coach, together with her team do a brilliant job encouraging all these youngsters and giving them lots of competition. If you are a member of the tennis club and also a British Tennis member then you are

eligible to enter the club draw for Wimbledon Tickets. Last year several juniors were lucky enough to have that chance including Pablo Fyfe whose comments below show how much he enjoyed the experience; as did all the others!

Social Too

The adult members of the tennis club play social as well as competitive tennis. In the summer we have five teams in the Oxfordshire Wilson League; two Men's, two Ladies' and one Mixed team as well as a team in a more local friendly league. During the winter months we have four teams in the Thames Valley League; two Men's and two Ladies' teams. Club nights for general play are on Tuesday and Thursday evenings (summer months only) as well as Wednesday morning. This carries on throughout the year.

Wimbledon was amazing! It also looks so different when you watch it live, right in front of your eyes. and it was also a great experience watching the british no.1 Andy Murray but most of all the atmosphere inside the stadium was incredible, but ~~not~~ the best ~~part~~ ^{was} I had fun watching the tennis.
