

They Enable People Like Us To...

Meet once a week, 48 times a year, and be transported to and from our homes. Have a home-cooked, two-course, hot meal at lunchtime and tea with homemade cakes in the afternoon. Take day trips out to interesting places and listen to fascinating talks. Watch films and enjoy live music and entertainment. Join monthly Church

Services. Have our hair done and take part in craft sessions.

All this and more at the Wychwood Day Centre!

We now have open house for coffee between 10 and 11am every Thursday morning in the New

Beaconsfield Hall.

Come and join us for a drink and a chat.

Fundraising Amelia

The Flix **Supper and Film** evening at the New Beaconsfield Hall in October saw over eighty people socialising, and enjoying the home-made cottage pie. The film *Amelia* followed, which told the story of the American pilot Amelia Earhart. The evening raised £635 towards the cost of a new electric screen. The screen should prove a great facility and offers many possibilities, both for local

groups and people hiring the Hall. Plans are already in hand to hold another supper and film evening in February, with the profits to be donated to **The Wild Garden appeal**. Come along in February we guarantee you will have a good time. For more information regarding hiring the Hall and screen contact Lee on: 01993 832216.

The FITS Team

Reward Offered! Youth Club Leader Needed

Shipton Youth Club was formed in 1981 and has been thriving ever since. Rob Marsh, who has been running club sessions every Monday evening for several years, has decided that the time has come to stand down and we are looking for a new, paid leader. The club meets on **Monday evenings** in the **New Beaconsfield Hall**, from **7pm to 8.30pm**, in term time. Catering for 35 primary school children, the Leader and team of enthusiastic adult volunteers and D of E candidates from Burford School,

offer a varied programme of activities. It seems particularly important to keep this club going for our young people of the Wychwoods at this time, when resources are under threat, so if you are interested in the paid

position or would like to add your name to the list of volunteers do please get in touch.
