Dolly Guntrip has sent us this photograph of the children at Milton School taken in the 1930s. Dolly is able to name most of the children, but we wondered if you can identify the unknowns or if you have

particular memories of your time at school.

Do let us know so that we can share them with our readers.

Christine Halliday

Dogs Out-Children IN

Once again, the residents of the Wychwoods rose to the occasion with their generosity and support to raise the £2,500 towards the cost of providing fencing around the new play area on Milton Village Green. *Dogs out - children in!* This will ensure that the Parish Council will proceed with this work in time for the peak period of use. A cheque

will be presented at the March meeting of the Council.

A sincere 'thank you' to the mums who organised the Frock Swap, Disco and Fun Day events, to the people who made such generous donations and to the people who supported the events and raffle.

Thank you, thank you, thank you!

Martin Gibbs
