

Rotary Club of Kingham and Daylesford

The club has opened the bookings for the new **‘Cotswold Event of the Year’** a very special lunch garden party with Jazz, Champagne and Classic Cars on **Sunday July 3rd**. Sponsored by Savills, Bentleys and the House of Fraser, see www.champagneclassic.org.uk for more details.

Duck Race

The now well established Duck Races, sponsored by ‘World of Color’, Chipping Norton, on New Year’s Day at The Mill House Hotel

was a runaway success raising nearly £1,200 for the local primary school outside- classroom, local charities and the global Rotary Foundation, which is currently almost there with its Eradication of Polio campaign. £500 of

prize money was shared amongst 41 winners with the £100 winner going to Juliet, an eight year-old holiday visitor who was overwhelmed to have won.

A Thousand Lives

As the crocuses that the children planted last year come up, Kingham Primary School is asking pupils to save five times 20 pence each so that £200 will be collected to pay for 1,000 more Polio Vaccinations. Ed

Headmaster said: “We are keen for the children to learn that there is another world out there and how lucky they are to live in a country without Polio”.
