

Library News

It is too early to give you all some idea of the outcome of the 'Public

Consultation' process that finished at the end of September but again, our excellent customers stepped up to support us. A *Friends of Wychwood Library Group* has been

formed which, in the first instance, has been a research, evaluation and campaigning vehicle on our behalf. Once we have more information, which may not be until the end of the year or even March 2012 we will let you know. But the day to day activities of busy Wychwood Library continue.

The Summer Reading Challenge,

Circus Stars has been a runaway success this year. More than 220 children joined up and were challenged to read at least six books during the summer holidays with rewards of stickers, a wrist band and a yo-yo. We have had lots of new stock in the children's area with thanks to funding from the Milton Summer Fete as well as our weekly Coffee Mornings.

This is a good time to remind our younger customers and their parents that if we do not have a particular title or series of a book that you want to read it is free to reserve these items until you are 18 years of age. The books are delivered to the Library within a few days so you are certainly not waiting long. This speediness also applies to adult requests but there is a fee for these of 95p per item which is still good value. Another good

The IKNIT group who meet every second Thursday from 10am to 12 noon.

requesting tip is that we are able to get you on to a waiting list early for a popular new title. The Oxford Museums Service visited during the holidays to present a lively discussion and craft session. These events are popular and remind us of the facilities

that are available throughout Oxfordshire.

What a Lot We Get!

Our regular events are well underway again with *Singing on Tuesdays* at 12.30pm, *three Reading Groups*, one in the afternoon, an evening one and *Wychwood Wordpeckers* for our younger readers, *IKNIT morning* every fortnight as well as our monthly Computer classes. Look out for the *new IKNIT Friday evening sessions* as well as a *Poetry Club* and *Computer Club* for under fives. Just ask at the desk for details. And don't forget about Coffee Mornings on Wednesdays. Meet your friends at **your** Library for coffee or tea and cake. We are full of wonderful books to lose yourself in, or to educate or enlighten you.
