

Shipton-under-Wychwood Village Fete

All the Fun of the Fete came to Shipton on August Bank Holiday Monday, starting with a Classic Car parade and ending with a Mass Balloon Release. The weather was fine but cold, but this did not deter a massive turnout from both Shipton and the surrounding villages. All the old favourites were there, together with a number of new attractions and games. The theme was Children's Sports, ably demonstrated with shows by the Football Club, the Cricket Club and Children's Races. The fete raised over £4,000 which will be distributed to local Children's Sports Organisations.
