

Art's Kool is Back Be pART of it!

Following the success of Art's Kool 2011 we are delighted to announce that our wonderful sponsors, The Rooflight Company have agreed to fund next year's festival. Art's Kool will take place on **Saturday 23rd June 2012**.

Paint a Picture for the Queen

There are eight new competitions for the new year including 'Paint a Picture for the Queen' to complement The Diamond Jubilee celebrations.

There are also five exciting workshops taking place on the main day of the festival and of course the amazing instant exhibition. In addition, and making the festival even more exciting, we have a number of fringe events for the young and the not so young alike. From 'Draw a Pony' and special mums and daughters classes to Art Talks by local artists for adults we will have events for everyone.

Once again we will have a tented village so if you would like a pitch, on a commission only basis, just let us know. Already we have pottery painting, face painting and a BBQ lined up. We are also

looking for sponsors for the competitions and fringe events and one thing our sponsors are guaranteed is publicity!

Last year Art's Kool was featured on television, radio and many local and national magazines.

The Important bit for all entrants

The deadline for entries is **early June** so it's a good idea

to send your entry form to us as soon as possible so we know what you are planning to do and then your space at the Instant Exhibition will be reserved for you.

Once we hear from you we can support you with details of the competitions and workshops and all the other news as it happens.
