

Shipton-Under-Wychwood Cricket Club

Player Profile: Simon Hole

Simon returned to the club in 2010 as 1st XI and Club Captain. Since his return, we have revisited Lords in the National Village Cup Final in 2010 and won promotion from the Cherwell League to the Home Counties Premier League for the first time in the club's history this year. An aggressive number three batsman, Simon has scored

a number of centuries since his return, the most notable probably being his score of exactly 100 against Horspath last season in the National Village Cup. Horspath won promotion from our league in 2010 and were relegated the following season - Simon's biggest challenge in 2012 is steering the 1st away from the same fate!

Opportunities to Join an Ace Team

We are looking for new volunteers as we are losing two key members of our non-playing staff, our first XI Scorer and our Treasurer. We can provide information on scorers' courses if you have an interest in scoring but would like to refresh your knowledge. Anyone with a basic understanding of book-keeping would be suitable for the Treasurer's role.

If you would like more information on either of these opportunities please contact our Chairman **Stephen Brain** on: 07771802148 or me by email (info@shiptoncc.co.uk).

Thanks to **Barry Mainstone**, who as Scorer has been a real asset over the past

few seasons. He was our scorer at Lords in 2010, and will be sorely missed.

Thanks also to Treasurer **Paul Jennings** who is resigning his post after several years of probably one of the most difficult jobs at the club.

Pre-season Nets

Pre-season nets will be held at Wood Green School as last season, please keep an eye on the website

www.shiptoncc.co.uk for the latest on these and all other goings-on at the club.

New players more than welcome!

Happy New Year!

Justin Hemming, Hon. Secretary

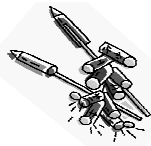

Fireworks Night at the Cricket Club

Thank you to all who supported us this year at Wychwood Fireworks at the Cricket Club. We made a total of over £4,500 which will benefit the children of our village through Wychwood

Primary School and Shipton Cricket Club. We were

overwhelmed by the attendance and will do our very best next year to reduce the queues. Thank you again to all who supported us and this year's date is

Saturday 3rd November 2012.

Paul Finch
