

Wychwood Players

Supper Evening: March 15th, 16th and 17th

Mid March will see the Wychwood Players holding another of their ever popular **Supper Evenings** featuring two one-act plays.

At the time of writing one of the plays is already in rehearsal and the other is awaiting publisher's permission for the amateur performing license. This is normally a formality so it is expected that the director and cast will soon be into rehearsal for what should be great evening of food, wine, good company and a great drama.

No such problems have affected the staging of the prize winning **Donahue Sisters**, which already has an enthusiastic and talented cast.

The sisters in question are separated by geography but they are bound by family

and blood bonds, which are twisted tighter by a dark secret they share. This adult drama is by turns amusing and surprising as we learn how the lives of the sisters have developed over their years apart. Their reunion takes us back into their family history and provides a memorable theatrical experience for the audience to share.

Tickets will cost £12 to include the meal. (When booking please be aware that the play deals with adult themes and there is some strong language.) Tickets always sell fast for our Supper Evenings so be ready to book early when the Box Office opens on 1st February.

Thames Valley and Chiltern Air Ambulance

As the Oxfordshire Fundraising Manager for the Thames Valley and Chiltern Air Ambulance, I am looking to recruit some new volunteers for our busy events calendar in 2012.

With no central Government or

National Lottery funding, we rely on the local communities throughout Berkshire, Oxfordshire and Buckinghamshire to keep this emergency service operational 365 days of the year. We are looking for individuals who like meeting new people, trying new things and want to join a fantastic social network by volunteering a few hours a week to their local Air Ambulance. We provide training and pay all reasonable expenses, so you will never

be out of pocket, and with 200 events attended in Oxfordshire throughout 2011, there will be an event to suit everyone's tastes. Without our volunteers, we simply couldn't do what we do.
