

## The Wychwood Big Society

*This colour centre spread celebrates local volunteering in all its forms*  
**...Starting with Bonfire Night**

Shipton Volunteers build the Bonfire

Families enjoy the result

Once again the Cricket Club and the PTA of the Wychwood C.E. School put on a magnificent Bonfire and Fireworks night on Saturday 3rd November attended by 600 of us. The event raised funds from the Entrance, Bar and Barbecue for both the Club and the PTA.

It was heartening to see the number of young volunteers involved in the organisation and running of the Bonfire and Firework party, as well as other local events. We 'oldies' should stop worrying and trust that the next generation will care enough for the Wychwoods, to carry on the tradition of running our wonderful clubs and facilities. A big 'thank you' to you all and keep up the good work!
