

## Pamela Woodward 1936 - 2013

Pam was born in Hill View, Swinbrook and never moved very far away from her childhood home. She grew up as an only child with her Mother and Grandmother. When she met John she knew he was the one for her as he was 'dependable, solid and not at all flighty'. They were married in 1955 in Swinbrook church.

Pam's great loves were John, their children Christopher and Caroline and subsequently grandchildren Ryan and Megan. She was a great homemaker and organiser; she liked her life to be well organised and loved organising

others, especially John. Pam carried this skill beyond the home and was busily involved with running the Shipton Evergreens Club for many years. Hers was the job of organising the refreshments for meetings and outings, which were much enjoyed by the members; many will recall with pleasure the trips with Rob from Pulham's Coaches and the fish and chip suppers on

the return journey.

Pam gave so much to so many within the village and will be loved and remembered by all her family and friends.
