

## The Benefice Centre Has Moved

### Where are we?

We have had a great year in Groves' Yard, but felt that we needed more space. So, the Centre is now situated in the church room, in the beautiful churchyard of St Simon and St Jude in Milton.

forum and a pre-school group. There are so many possibilities.

### How can you get involved?

By bringing a neighbour for tea and cake on a Thursday afternoon or

bringing some packets and tins for the food bank. By coming along on a Tuesday to discuss what is going on in the world or letting us know who we can be praying for. By thinking of other opportunities for the community or baking a cake for afternoon tea.

### Who are we?

We are a group of people from the local Anglican churches and beyond, wanting to serve our local community and provide space for people to meet and enjoy time together.

### What are we doing?

A whole range of things: from browsing the papers on a Tuesday morning to afternoon tea on a Thursday; from meeting for prayers to gathering to support others who have been recently bereaved.

We are going to become a collection point for our local food bank. We are also talking to Mind and the University of the Third Age. We are planning a parenting

## Feedback on Bowls Club Founders 1929

It was with great interest that I read your article in the April/May issue of *The Wychwood* and in the photograph spotted George Carpenter who was my Grandad. Later in the 1960-70s my father, Reg Brookes and my husband Stan Field were

members of the club and maintained the grounds.

There are so many names I knew, like Colin and Barbara Pearce and my headmaster G.C. Horne.
