Café Fifi

The Parish Hall on Saturday Mornings continues to be The Place To Be, with Karin, Movita and Betty Café offering coffees, teas, hot chocolates, croissants, toasted tea-cakes and other delights. Prices are more than reasonable and catching up on the week's events and news stories is essential. 10am to about 12 noon. Make a diary note now!

Scouting

The first meeting of the parents who offered help was very successful and the Cubs officially started on St George's Day. The Wychwoods Scouts did not parade this year, but the original Wychwood neckerchief was worn by the Wychwoods Scout Leader representing the group. The Beavers will have to wait until more parents are able to offer help. There is a list of children wanting to join a scout troop if one can be started, but that will be the autumn at the earliest. Chief instigator Chris Trotman advises that the

group hopes to launch its own website shortly.

Wychwood Pre-School

Spring time is finally here! So the doors to the garden are open, for the children to choose if they want to play inside, or out. Becky has put new and exciting things to look at and play with in the garden. The topic this term is growing. So the children have been busy planting vegetables, and plant seeds. The craft morning was lovely, with the spring and Easter theme, even though it was still bitterly cold, everyone got into the swing of it. Thank you to everyone who helped out, and turned up to support.

The Nearly New Sale went really well. The weather was sunny, so the parents shopped, while the children played in the garden.

We are just about at full capacity now, but please enquire there may be the odd space.

We are now taking enrolments for September, so get your name down on the list!
