

Wychwood Football Club U10s

Wychwood FC under 10s squad has been going for nearly four years now and has developed into a fantastic village club. We currently have two teams in the A League and have held fast against the big boys like Brackley Town FC, Banbury United and Bicester teams.

Charlbury's six-a-side final and winning it! It gave the kids a real boost to get some medals under their belt against the big boys. We are always looking for local businesses or people to help our cause. We have a Wychwood FC Kings Forest Fund running at the moment; our aim is to raise £1,000 for the new season, which starts in

Super Sponsors

Our current sponsor, Cotswold Carriers in Chipping Norton, has helped us with match day kits and winter gear to keep us looking smart whilst representing the Wychwood area. They have supported our current squad of 24 kids over the past few years. Our local Co-op store has also helped with money from their community fund for every day kit. Other local companies have helped too, including <http://www.fetegamehire.com>, who have lent us equipment from their hire company to assist us with our end of season events. We give a big 'thank you' to them all for their support. Thanks also go to the Shipton Village Fete committee who helped us to buy equipment for the boys with money from the village fete in 2011.

We have managed to do well in some tournaments and were one of 40 teams to reach the quarter-finals of the league cup. We played through to four quarter-final side of sides and were finalists in Carterton's six-a-side tournament. Our crowning moment was reaching

September 2013. This will ensure that every child in our under 10s group has a smart academy kit and bag for match days.

Give Local Talent a Chance

We would be very grateful if anyone reading this feels able to help with a cash donation or a raffle prize; please contact me on the email address or telephone number below.

We will be running open trials at Shipton Recreation Ground from **1st June** to give local talent the chance to play at a high level, an opportunity not usually available to players on this side of the County. We aim to maintain this goal for the next couple of seasons at least, and hopefully with your help we can do it! Our current coaches are Lee Woodward, Matt Maudsley and Lisa Wilkinson.

For more information on trials, matches and fund-raising please contact me on: woody020871@gmail.com or telephone: 01993 831347.
