"16 strings, 8 dancing feet and 4 voices with one aim - to make classical music wickedly funny and fantastically exhilarating for everyone". That is how Graffiti Classics describe themselves and we have booked this entertaining

foursome to perform for yet another 'Good Night Out'. So another date for your diary must be **Friday November 15th**. This show is suitable for children age 8+, so make it a family treat. To get a flavour of what this unusual quartet are all about take a look at their website www.graffiticlassics.com or follow their antics on youtube.

Further information on booking for these two events will be displayed on notice boards around the villages and advertised in the Aug/Sept issue of *The Wychwood*. For more information ring Lee at the New Beaconsfield Hall on: 01993 832216 or Gordon Halliday on: 01993 831134.
